Hanex Solid Surfaces is committed to delivering products made to perfection. For more information, please refer to the at www.hanex.com

Benefits of Hanex[®]

Hanex Solid Surface is an acrylic solid surface material which is composed of Methyl Methacrylate (MMA) and Poly Methyl Methacrylate (PMMA) resin filled with Alumina-Trihydrate and other specialized formula to give it a timeless beauty and quality.

Seamless Design

Sheets can be bonded together with inconspicuous seams. Smooth integration allows large areas without joints.

Recyclable

Hanex is an eco-friendly material, as it is renewable and can be used again in its production process.

No Radon Detected

Hanex is a safe product with no first-class carcinogen radon detected.

Anti-Bacteria

Hanex is capable of withstanding the spread of other harmful germs and bacteria.

Translucent

Various thickness of Hanex exhibit a special translucency when exposed to light.

Thermoform

Sheets can be thermoformed to create curves of shapes of any designs.

Movement Collection

Hanex is an acrylic solid surface material that is resistant to stains and chemicals and can be molded in a variety of designs with unique combinations of acrylic resin and natural materials. It pursues flexible and scalable designs that can be applied to various spaces such as kitchens, hotels, healthcare, and transportation, and increases the completeness of the space.

Cascade **New**

Inspired by the natural beauty of cascading waterfalls. Cascade collection features feathery veining with subtle color variation that perfectly resemble the effortless flow of water. Its low color contrast trait allows Hanex to be matched with any interior space.

Venato **New**

Venato is a series of Hanex into the design and manufacture of solid surfaces which are not merely imitation of the real marble. After having reinterpreted the texture and vein of calacatta, Hanex now offers a new way of considering the preciousness of a marble.

Stratum

Stratum series is inspired by nature in a worldly perspective and is full filled with a soft range of colors and unique, organic patterns. You discover the artistic, unconventional scene of the nature. Enjoy the new view of the earth. Create your own, unique and long-lasting atmosphere in the style of the depth and boundlessness of stone.

Bellissimo

Discover the greatness and glory of Bellissimo collection which is inspired by the beauty of the night sky and twilight. The vein expresses the colorful beauty of the sky, and the chip decorates the starlight of the night sky.

Stratum

This set of premium solid surfaces is inspired by the wispy movement and strata patterns within rocks and stones. The collection's timeless colors and styles offer incredible vibrancy, beauty and versatility-each can be effortlessly shaped into almost any form or structure by molding, machining or other appropriate processing.

This means they're undeniably ideal for countertops, shower walls and commercial interiors. Beyond that, Stratum can be used for interior accessories like clocks, frames, or chairs, and many others.
